

My name is Trudy – They think I am around 2 years of age. I am a mixed breed with high energy.

I love people so much!! I also love my shelter mate Jethro, he's my best friend and so is another dog Barney! I don't like dominating dogs and they don't like me. I think I must not know doggie language but I am trying real hard. Jethro is teaching me lots of things about dogs. I love to play ball and go for walks ♥ I don't like kitties and the llama at the shelter is mean to me too! I wish someone would give me a chance to be part of his or her family. I'm very sweet. I just have lots of energy pent up because I have been stuck at the shelter for too long! I want to find a home and be loved by someone.

My name is Griffin. The shelter thinks I am 4 years old and a short hair Collie mix. I am very tall.

I love all people. I also like bossy little dogs and old tymers :) I don't mind kitties as long as they do not eat my food! I don't like young dogs that want to play with me – too much energy. I am not that young anymore. I have several best friends at the shelter including a chiwawa or Chihuahua (whichever spelling you prefer) named Marty as well as an old husky girl named Angel. My human friends at the shelter think I am housebroken. I have waited so long to be warm and to be loved by my own family ♥

My name is Jethro. I am a black and tan Coonhound approximately 1 year old.

I love people and all dogs! My shelter mates, Trudy and Barney, are my best friends! I even love playing with Jessie! I like to chase kitties but I wouldn't hurt them. I do not like the llama at the shelter; he keeps calling me names!! He makes fun of all of us and spits on us - the nerve! I would really like to know what it's like to have a family ♥ I love to wrestle and play with my people friends at the shelter. I would love to have someone take me with them everyday to go running, which is my favorite thing to do!!!

My name is Jessie. I am a 2 year old Akita/Lab mix. My previous owner says I am house-broken.

I love people. I get along with other dogs as long as they are not dominant. I used to like kitties but now I am really bored at the shelter and like to bark at them. My shelter mate, Temple is my BFF friend in the world! My favorite thing I love to do is go for walks and play with my human friends at the shelter. I wish every day to have a home and loving family to call my own. ♥

My name is Temple. I am an approx.1 year old Bull Terrier mix.

I love, love, love people. I like to constantly give you kisses all over the face! I love to wrestle and play with my human friends at the shelter because then I can kiss them. 😊 They say I am “an absolute doll baby, very sweet”.

I get along with other dogs. I love my shelter mate, Jessie, he's my best friend! I just do not like dominating females because they scare me. I do well with kitties while on leash. Santa – did you forget about me? I am still waiting Santa – for a family I can call my own and kiss every day.
