

**2011 WARD 4 ANC/SMD REDISTRICTING TASK FORCE
REPORT TO THE D.C. COUNCIL SUBCOMMITTEE ON REDISTRICTING**

INTRODUCTION

D.C. Code §1-1041.01 requires the Council of the District of Columbia (“Council”) to appoint ward task forces to recommend adjustment of the boundaries of its Advisory Neighborhood Commissions (“ANC”) and single-member district (“SMD”) areas. Ward 4 Councilmember Muriel Bowser appointed a broadly-based Ward 4 task force consisting of eleven voting members (including two Co-Chairs) and two *ex officio* non-voting members, all members being registered voters and residents of Ward 4 (the “Task Force”).

The voting members are:

1. Comr. Gary Thompson (4G-02, Chair ANC 3/4G) – Task Force Co-Chair
2. Jeff Tignor (Non-ANC 4B) – Task Force Co-Chair
3. Comr. Stephen Whatley (4A-03, Chair ANC 4A)
4. Comr. Yvonne Jefferson (4B-08, Chair ANC 4B)
5. Comr. Joseph Vaughan (4C-05, Chair ANC 4C)
6. Comr. Bill Quirk (4D-06, Chair ANC 4D)
7. Maria Patricia Corrales
8. David Inoue (Non-ANC 4A)
9. Ron Bland (Non-ANC 4C)
10. Bill Hasson (Non-ANC 4D)
11. Gladys Mack (Non-ANC 3/4G)

The non-voting members are:

1. Comr. Gale Black (4A-08)
2. Comr. Robert Mandle (4C-10)

The Task Force considered various proposals to adjust certain boundaries within and among ANCs 4A, 4B, 4C, 4D, and 4G. The Task Force has no jurisdiction over the boundaries of Ward 4 and those Ward 4 boundaries, unchanged following the 2010 census, are not affected by the actions of the Task Force.

The Task Force held four duly-noticed public meetings on August 16, 2011; September 21, 2011; September 28, 2011; and October 6, 2011 (each meeting reaching a quorum of five or more voting members). The Task Force invited and received substantial public comment at those public meetings, through an email account, through ANC meetings, and otherwise.

At its August 16, 2011 public meeting, the Task Force unanimously adopted procedures for the Ward 4 redistricting process in a document entitled, “Task Force Objective, Rules, and Schedule” (attached hereto), consistent with the D.C. Code; the June 21, 2011 “ANC Redistricting Procedures” distributed by the Subcommittee on Redistricting; the July 12, 2011 “Technical Information and Instructions for Ward Taskforces” prepared by the Subcommittee on Redistricting

with assistance from the Office of Planning and others; and other guidance. The Task Force agreed to strive to keep SMDs as close as practical to 2000 residents each, and within a 5% deviation range of 1900-2100 residents, but with the proviso that an SMD can fall below or above such preferred 1900-2100 range to the extent necessary to maintain a specific natural geography, neighborhood cohesiveness, or a certain compact or contiguous SMD area.

At its September 21st Task Force meeting, each ANC Chair described how their respective ANCs addressed the redistricting issue, resulting in formal recommendations from ANCs 4A, 4B, 4C, and 4G. Public comment focused on issues specific to various communities. Some public comment more broadly suggested that the Task Force set aside current boundaries, start from scratch, and re-design the ANCs and SMDs. Many comments addressed the size of ANC 4D (six SMDs) relative to neighboring ANCs.

At its September 28th meeting, the Task Force and public considered various proposals to adjust certain boundaries within and among ANCs 4C and 4D. The Chairs of ANC 4C and 4D described how their respective ANCs had discussed amongst their Commissioners and with the public the issue of changing their borders. The Chair of ANC 4C and three Commissioners from ANC 4C spoke in favor of SMDs 4C-01, 4C-02, and 4C-09 remaining part of ANC 4C and not becoming part of ANC 4D. The idea of SMD 4B-05 becoming part of ANC 4D was also raised. The Chair of ANC 4D discussed several proposals for increasing the size of ANC 4D, in particular by adding SMDs 4C-01 and 4C-02 or 4C-09, if the residents of the effected SMDs were in favor of the change. The public commented on the proposed changes. Some public comment from residents in ANC 4C suggested that SMD 4C-09 should not become part of ANC 4D. Residents and Task Force members debated whether it was equitable for ANC 4C to have ten SMDs and ANC 4D to have six SMDs.

The Task Force voted 6-5 to keep the borders of ANC 4D unchanged. The Task Force voted 9-2 to request that a new task force be established to review parity between Ward 4 ANCs over the next two years. The Task Force voted 10-0-1 to accept as final the new boundaries of ANC 4C as tentatively approved at the September 21, 2011 Task Force meeting. The Task Force voted 11-0 to accept as final the recommendations tentatively adopted by the Task Force at its September 21, 2011 meeting setting new boundaries within and among ANCs 4A, 4B and 4G. The Task Force voted 11-0 to adjust the boundaries of SMD 4C-09 to include Rock Creek Cemetery.

At its October 6, 2011 meeting (seven voting members present), based on the recommendation of ANC 4D and public comment, the Task Force voted 7-0 to rescind its prior vote taken at the September 28, 2011 meeting to switch the area of Rock Creek Cemetery from 4D-05 to 4C-09, such that Rock Creek Cemetery will remain within 4D-05 (a two-thirds vote being required and achieved for such rescission). The Task Force voted 7-0 to accept as final the recommendations made by ANC 4D regarding changes internal among its SMDs. The Task Force voted 7-0 to move Census Block 21.01-1008 from 4B-05 to 4D-01, as recommended by ANC 4D and the Commissioner for 4B-05. The Task Force then voted 7-0 in favor of the following final resolution, attached SMD boundary descriptions, and appendix of Census Blocks. The Task Force concluded its business by applauding the efforts of everyone across Ward 4 working together cooperatively, with hopes for future opportunities to work together.

FINAL RESOLUTION

WHEREAS the Task Force carefully and thoroughly considered the information and issues placed before it, as summarized above;

THEREFORE, the Task Force, by a vote of 7 to 0, on this 6th day of October, 2011, adopts this report and hereby submits it to the D.C. Council Subcommittee on Redistricting.

1. The Task Force advises and recommends that the D.C. Council Subcommittee on Redistricting adopt the borders for the Ward 4 ANCs and SMDs that are set forth in the attachment to this report (subject to technical corrections consistent with the D.C. Code).

2. The Task Force further recommends that the Councilmember establish a new task force to consider, over the next two years, parity between ANCs in Ward 4, and make further recommendations as appropriate.

3. The Task Force encourages the office of ANCs to lend its support and resources to any ANC or SMD in need of assistance.

4. The Task Force notes that it has been rewarding to work together and encourages further interaction between the Ward 4 ANCs in the future.

Respectfully Submitted by the Task Force, through its Co-Chairs
Gary Thompson and Jeffrey Tignor
